The applicable consideration for each \$1,000 principal amount of Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Tender Offer will be determined in the manner described in the Tender Offer Documents by reference to the applicable fixed spread for such Notes plus the applicable yield based on the bid-side price of the applicable U.S. Treasury Reference Security at 2:00 p.m., New York City time, on August 14, 2020, unless extended.

Holders will also receive accrued and unpaid interest on the Notes validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the date the Company initially makes payment for such Notes, which date is anticipated to be August 17, 2020 (the “Settlement Date”). Notes tendered by notice of guaranteed delivery and accepted for purchase will be purchased on the third business day after the Expiration Time, but payment of accrued interest on such Notes will only be made to, but not including, the Settlement Date.

Holders must validly tender (and not validly withdraw) their Notes, or deliver a properly completed and duly executed Notice of Guaranteed Delivery for their Notes, at or before the Expiration Time (as defined below) in order to be eligible to receive the applicable Tender Offer Consideration (as defined below). In addition, holders whose Notes are purchased in the Offer will receive accrued and unpaid interest from

the last interest payment date to, but not including, the Settlement Date (as defined in the Offer to Purchase) for the applicable Notes. The Company expects the Settlement Date to occur on August 17, 2020. Notes tendered by Notice of Guaranteed Delivery and accepted for purchase will be purchased on the third business day after the Expiration Time, but payment of accrued interest on such Notes will only be made to, but not including, the Settlement Date.

The Offer will expire at 5:00 p.m., New York City time, on August 14, 2020 (such time and date, as it may be extended, the “Expiration Time”), unless extended or earlier terminated by the Company. Tendered Notes may be withdrawn at any time at or before the Expiration Time by following the procedures described in the Offer to Purchase.

The Company’s obligation to accept for purchase and to pay for Notes validly tendered and not validly withdrawn pursuant to the Offer is subject to the satisfaction or waiver, in the Company’s discretion, of certain conditions, which are more fully described in the Offer to Purchase, including, among others, the Company’s successful completion of an offering of its new senior notes separately announced today. The complete terms and conditions of the Offer are set forth in the Offer Documents. Holders of the Notes are urged to read the Offer Documents carefully.

The applicable “Tender Offer Consideration” for each \$1,000 principal amount of Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Offer will be determined in the manner described in the Offer Documents by reference to the applicable fixed spread for such Notes specified in the table above plus the yield based on the bid-side price of the applicable U.S. Treasury Reference Security specified in the table above at 2:00 p.m., New York City time, on August 14, 2020, unless extended.

To the extent that all of the outstanding 2026 Notes are not tendered and purchased in the Offer, the Company may, but is not obligated to, use a portion of any remaining net proceeds from the offering of new senior notes to redeem all or a portion of the remaining 2026 Notes.

The Company has retained D.F. King & Co., Inc. (“D.F. King”) as the tender agent and information agent for the Offer. The Company has retained Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC as dealer managers for the Offer.
